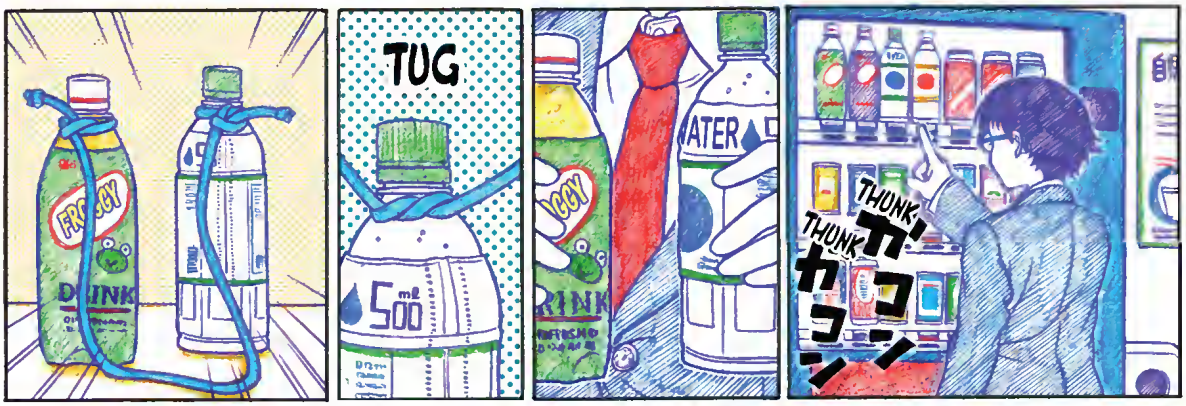
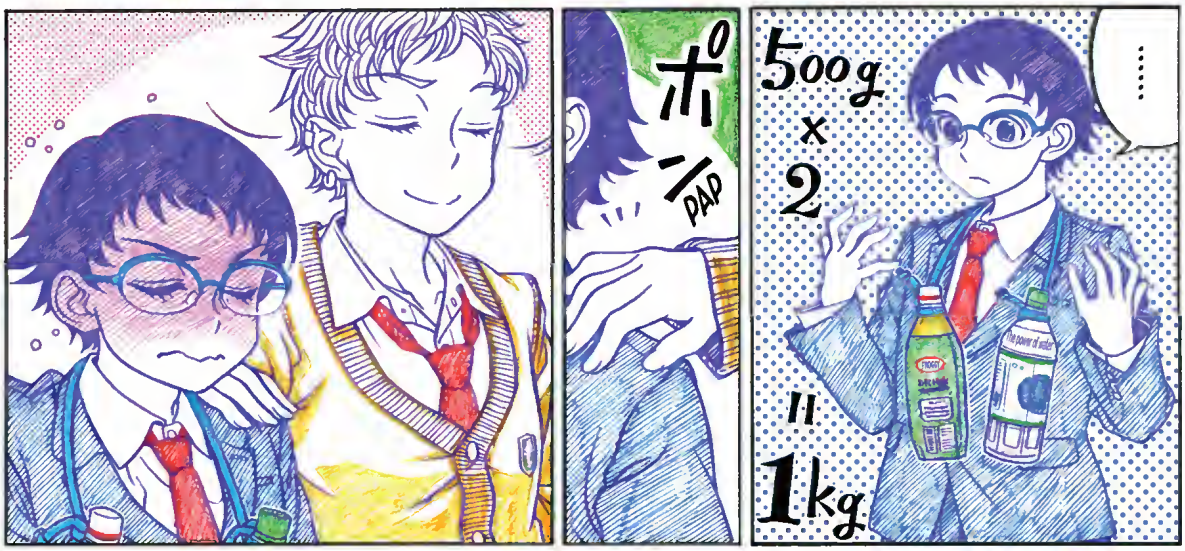
HUNH... MAKES SENSE.





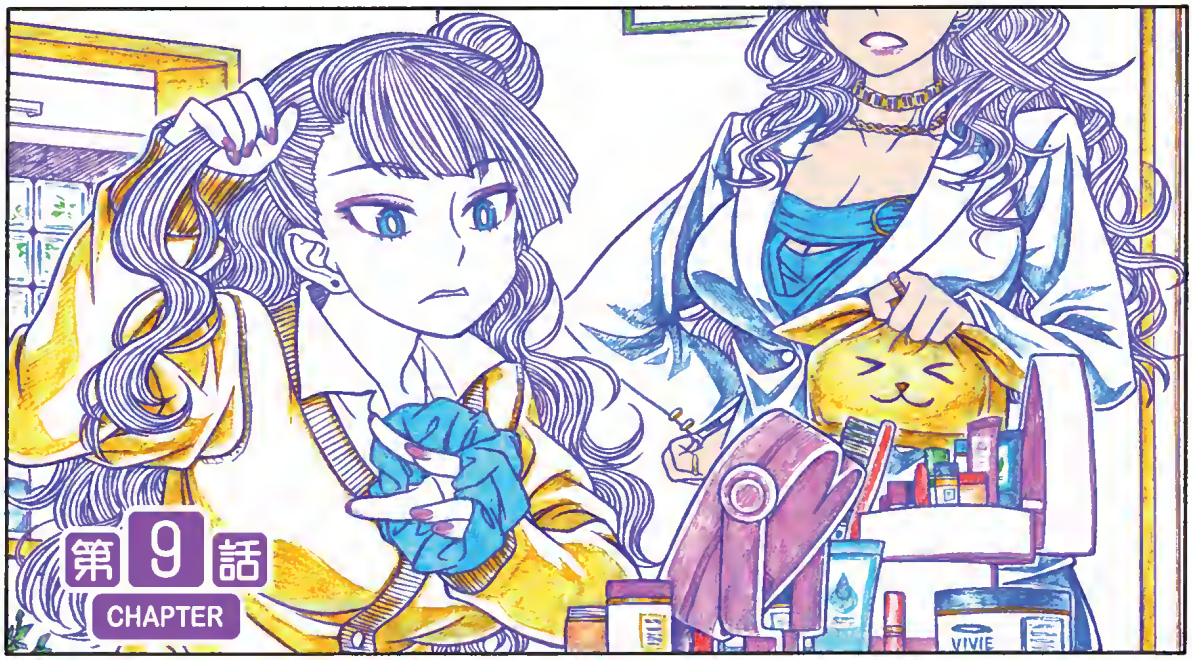
Otao: He sits in the corner of class, yet is good friends with Charao. He wanted to know what the weight of Galko's boobs felt like.

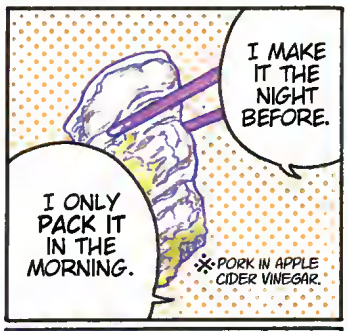
Charao: A cheerful guy who's popular in class. He shook his head because Galko is definitely not an E cup.

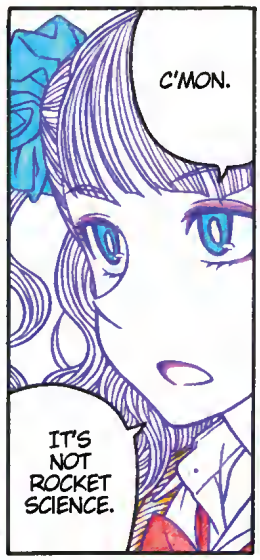
Galko: A nice kid--and popular in class. She carefully styles her hair every morning.

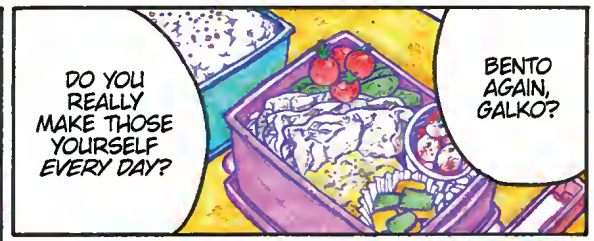
Otako: She and Galko are good friends, for some reason! At most, she gives her hair a quick brushing.

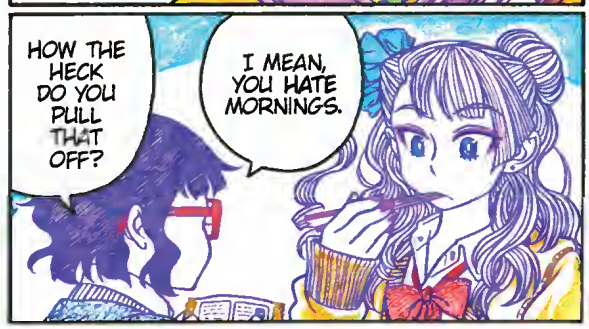
Ojou: An airhead who often gets involved with Galko and Otako. Her hair's styled by her maid.

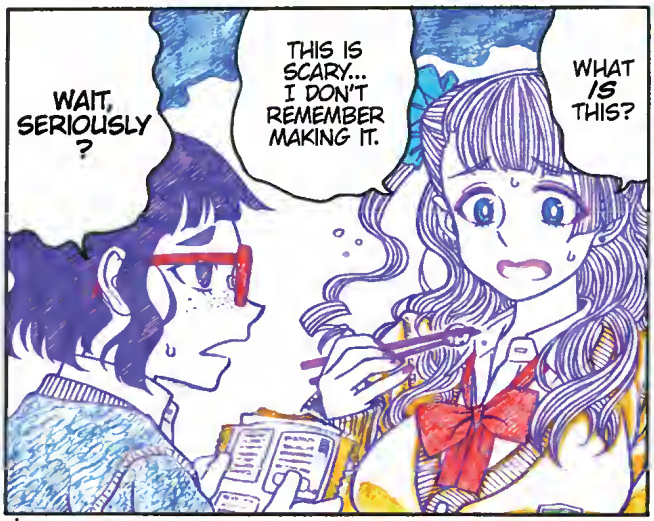


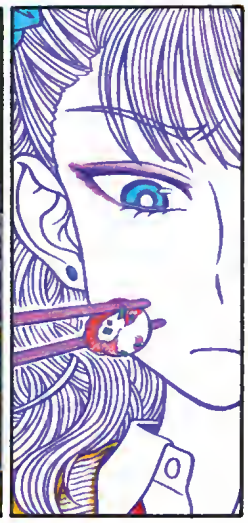


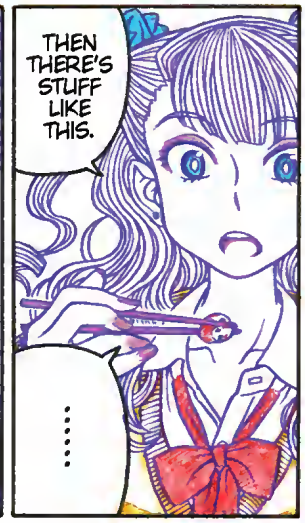








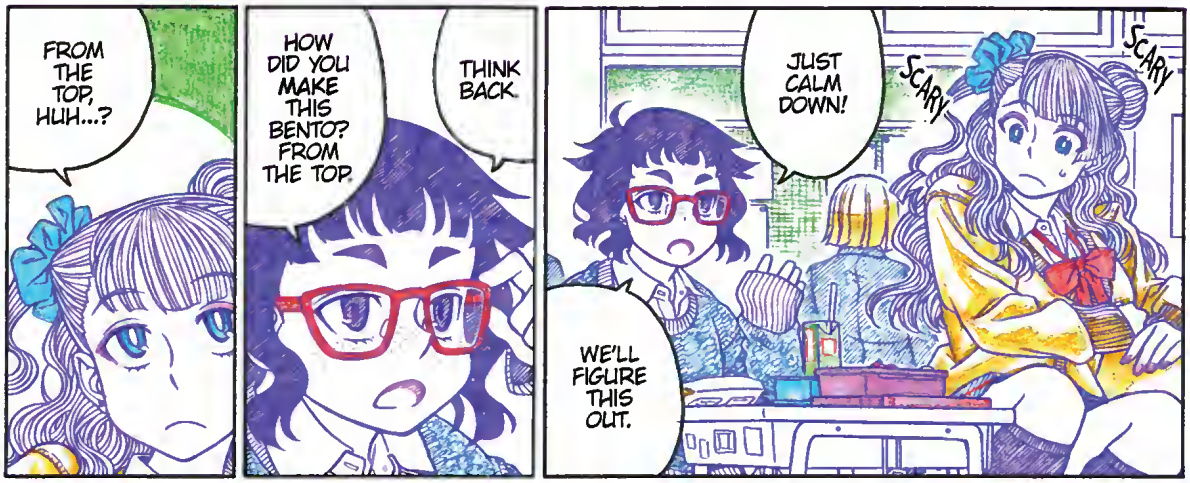


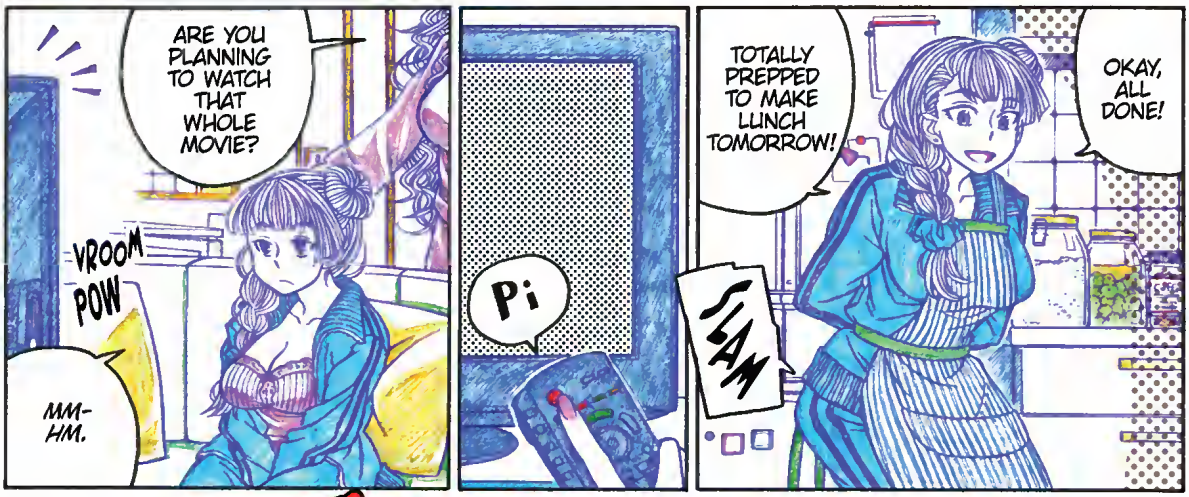


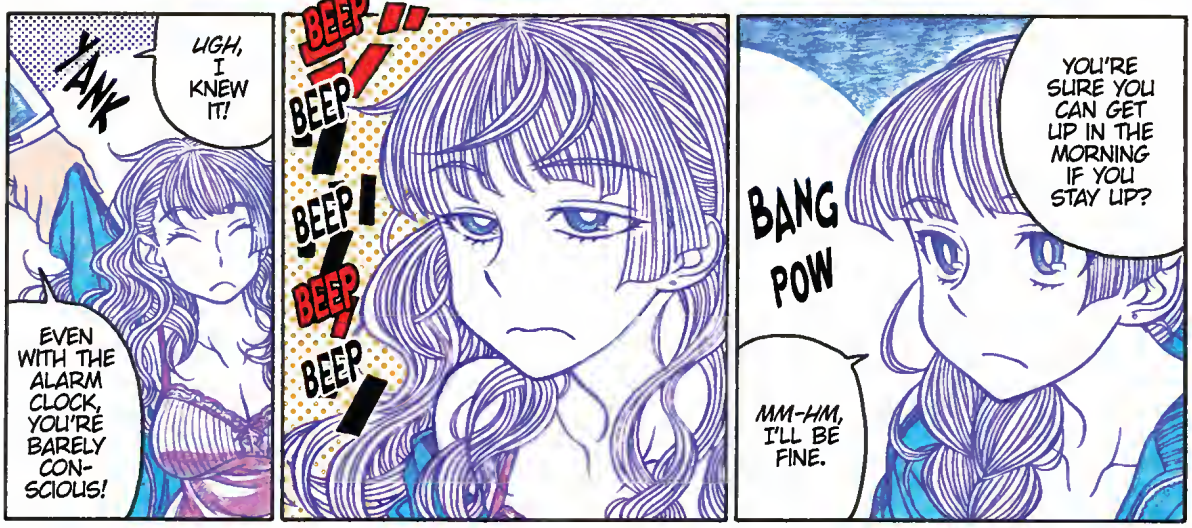
※: QUAIL EGG WITH TOMATO.

IS IT TRUE THAT FOR GIRLS, EVERY MORNING IS A BATTLE WITH THEIR HAIR, CLOTHES, AND MAKEUP?

Please tell me ! GALKO-chan







Galko: Despite her sharp tongue, she's a nice kid--and popular in class. She tends to get sucked into movies or dramas and stay up too late.

Otako: She sits in the back corner of class, but she and Galko are good friends, for some reason! She can get absorbed in a new book and stay up too late.

Ojou: An airhead who often gets involved in Galko and Otako's conversations. She tends to get caught up looking for shooting stars from the veranda, which makes her stay up too late.

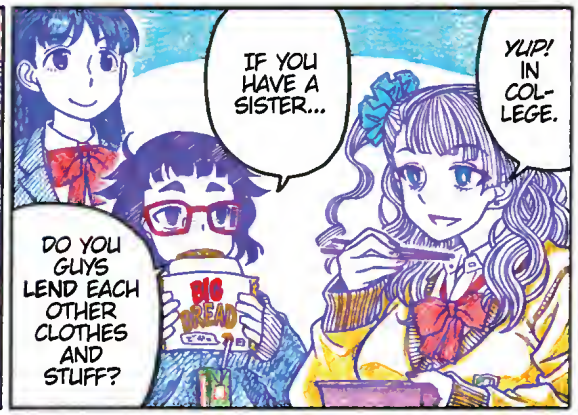
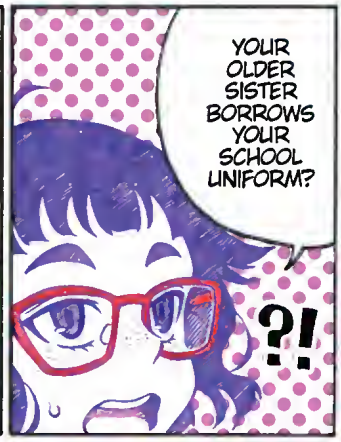
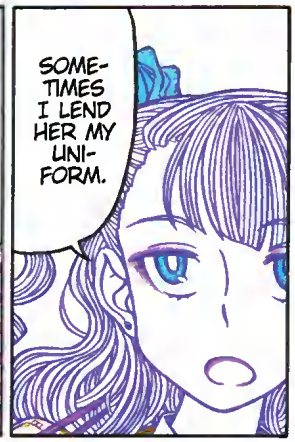
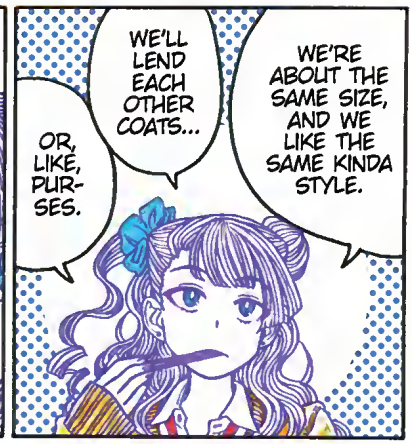
DO FRIENDLY SISTERS BORROW EACH OTHER'S CLOTHES A LOT?

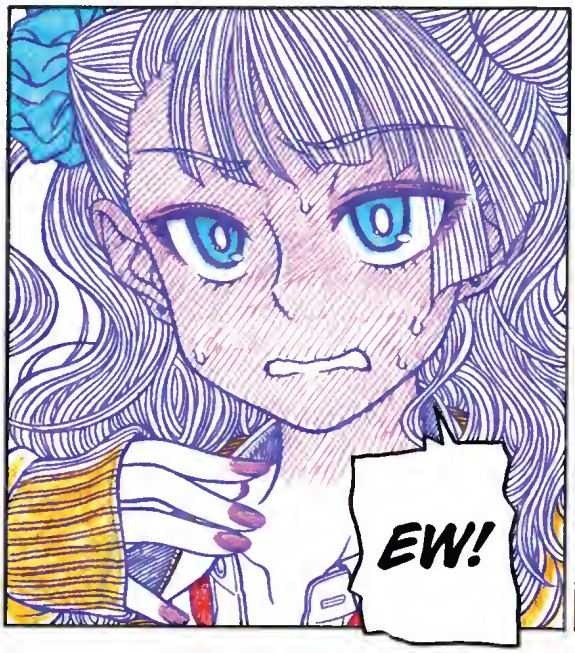
Please tell me ! GALKO-chan

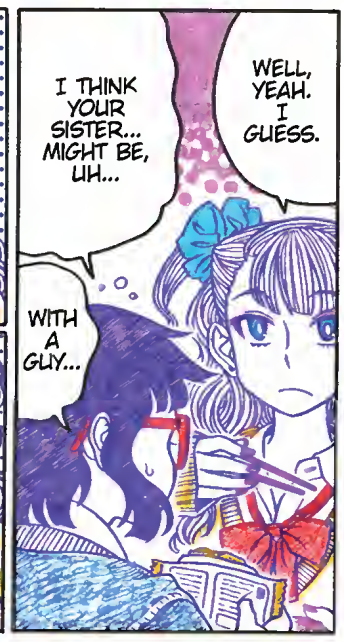












Galko's older sister: A college student. Her high school uniform was a sailor suit, but sometimes her boyfriend asks her to wear a blazer (he has particular tastes). She usually gets mad, but about a third of the time she'll wear it for him. She always washes it before she returns it.

Charao: A cheerful guy who's popular in class. In a personality test, he's the type who doesn't want to give his real answer.

Supoo: He doesn't talk much, but he's the tallest person in class. In a personality test, he'll give an honest answer.

Otao: Introverted and shy, yet good friends with Charao and Supoo. In a personality test, he'll probably act a little haughty.

Galko: Despite her sharp tongue, she's a nice kid--and popular in class. In a personality test, she'd answer earnestly and accept the results earnestly.

Otako: She and Galko are good friends, for some reason! She'd give uncooperative responses and get the result "Boy, you're uncooperative."

Ojou: An airhead. On a personality test, she'd answer differently depending on the day, so her results would keep changing.

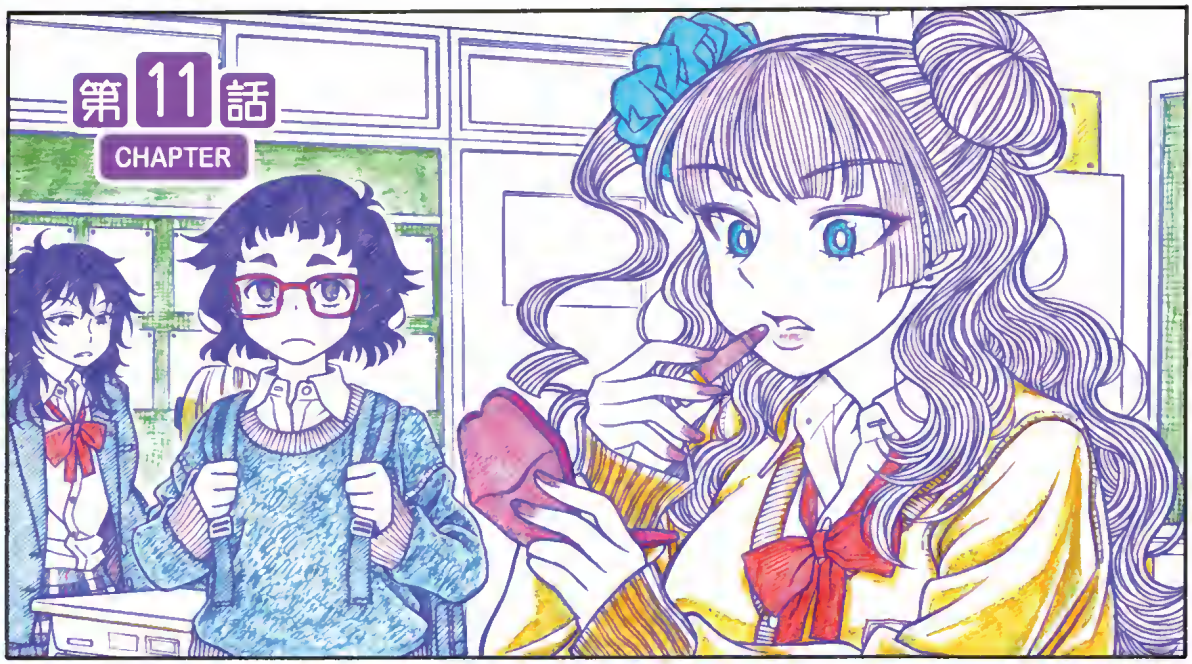
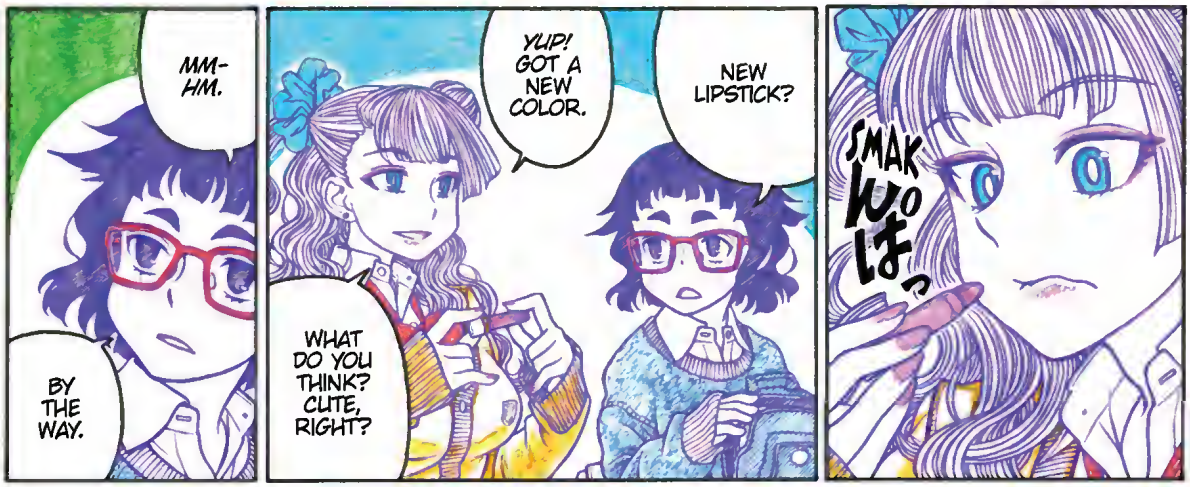
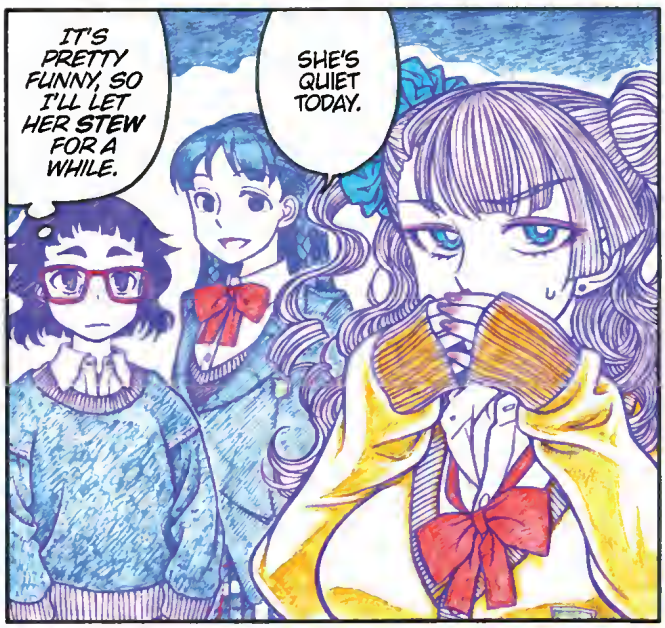
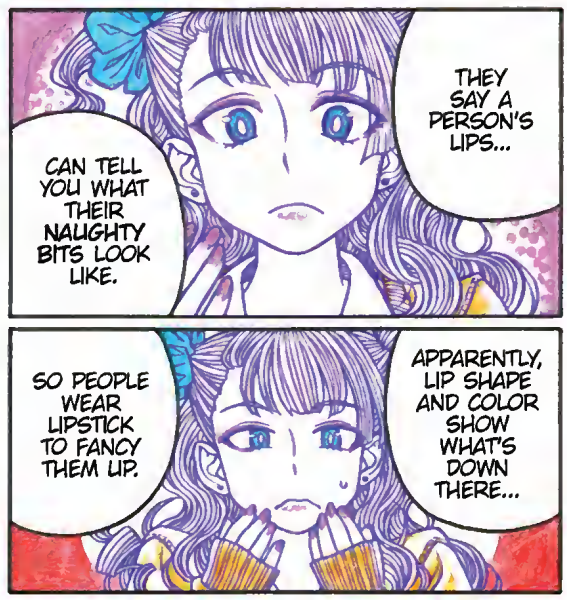
IS THERE REALLY A PERSONALITY TEST THAT REVEALS WHAT SOMEONE'S LIKE IN BED?

Galko: Despite her sharp tongue, she's a nice kid--and popular in class. She *was* in a good mood because she used her pocket money to buy a lipstick she wanted.









THEY SAY A PERSON'S LIPS...
CAN TELL YOU WHAT THEIR NAUGHTY BITS LOOK LIKE.

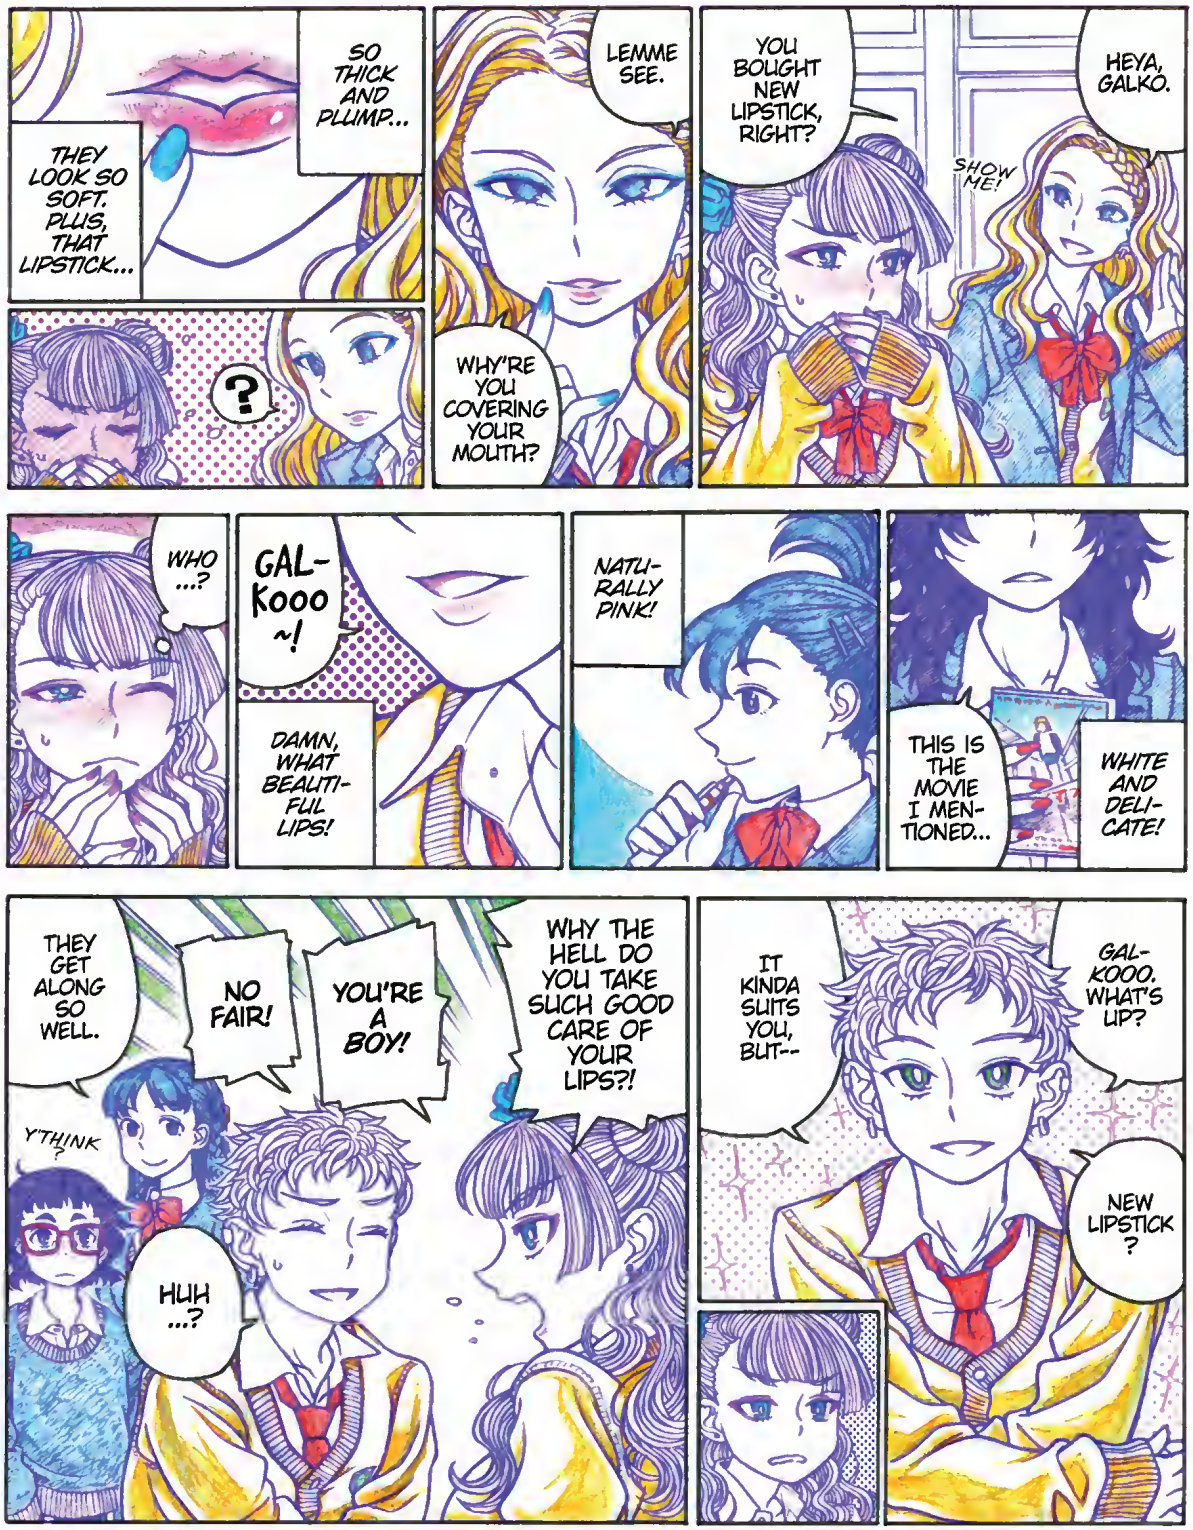
APPARENTLY, LIP SHAPE AND COLOR SHOW WHAT'S DOWN THERE...

IS IT TRUE THAT THE SHAPE AND COLOR OF SOMEONE'S LIPS REFLECTS THEIR GENITALS?

Please tell me ! GALKO-chan



Galko: Despite her sharp tongue, she's a nice kid--and popular in class. In junior high, she once took a peek out of curiosity, then fell asleep.

Otako: She and Galko are good friends, for some reason! In grade school, she secretly read one of her older brother's adult mags, so...

Ojou: An airhead who often gets involved in Galko and Otako's conversations. She did well in health and phys ed, so she knows what anatomy drawings look like, but...

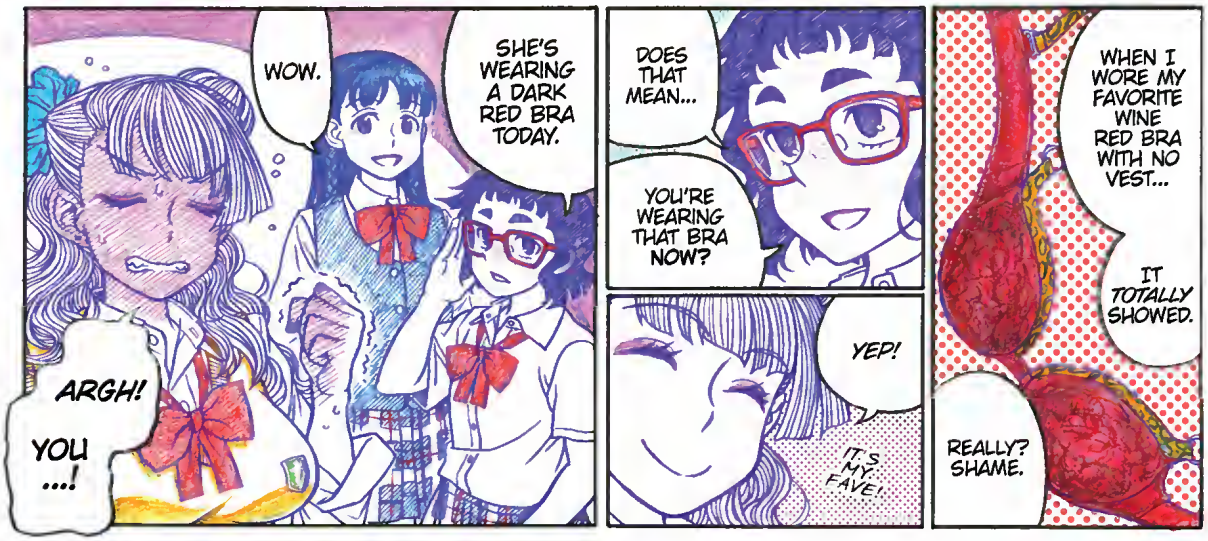
LIKE BEIGE, OBVIOUSLY. BUT ALSO RED AND PINK.
IT'S SO YOUR BRA DOESN'T SHOW THROUGH YOUR SHIRT, RIGHT?
THAT'S THE WINTER UNIFORM VEST.
THAT, TOO, I GUESS.



Galko: Despite her sharp tongue, she's a nice kid--and popular in class. She mostly wears her vest in the summer so her stomach won't get cold.

Otako: She and Galko are good friends, for some reason! She just wears a shirt in the summer, but since she hunches over and has small breasts, her bra doesn't show.

Ojou: An airhead who often gets involved in Galko and Otako's conversations. She diligently wears the uniform vest at all times, even in summer.

IS IT TRUE THAT GIRLS WITH LARGE BREASTS HAVE A HARD TIME FINDING BRAS?

Otako: Good friends with Galko. In wave pools, she likes to relax in an inflatable ring.

Ojou: An airhead. Used to traditional swimming, so she swims against the current in wave pools and gets nowhere.

Kuseta: A grade school boy with unruly hair. The girls pick on him a little in class. His whole family was supposed to go to the pool today, but his father got called into work.

Tsunno: Kuseta's classmate, who seems to be the ringleader of the girls. She usually picks on Kuseta, but actually has a crush on him.

Kibami: Their classmate. She knows how Tsunno really feels about Kuseta, so she found out he was going to the pool and convinced Tsunno to go.

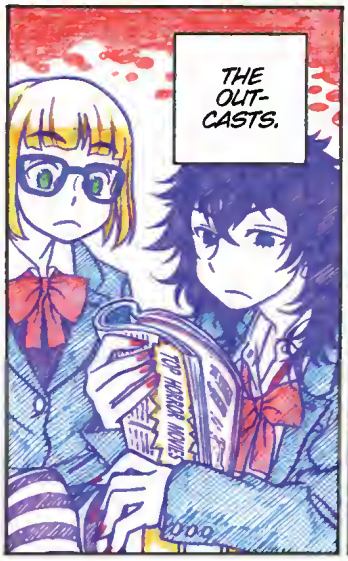
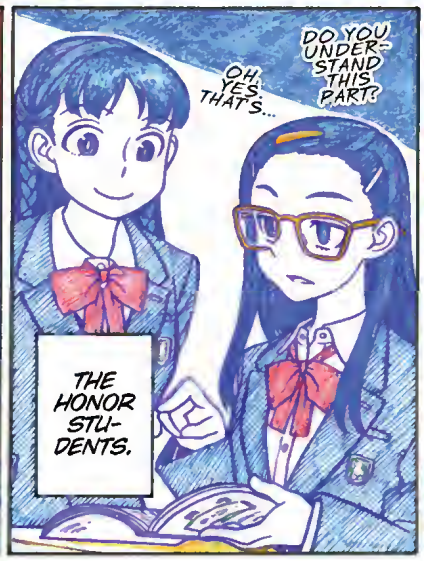
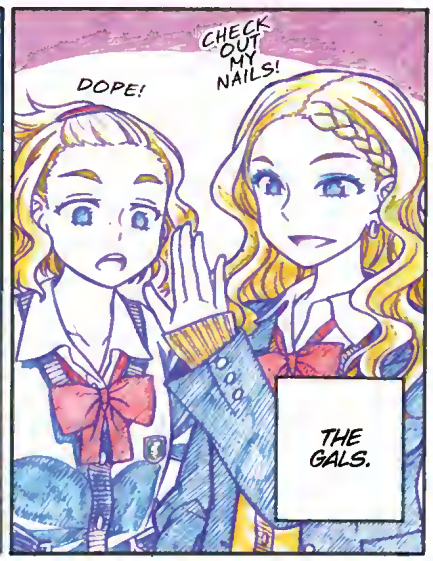
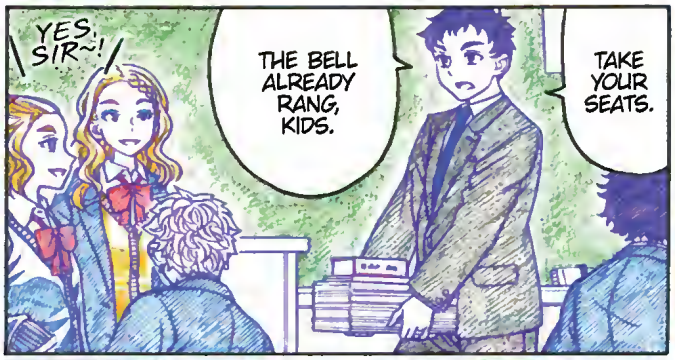
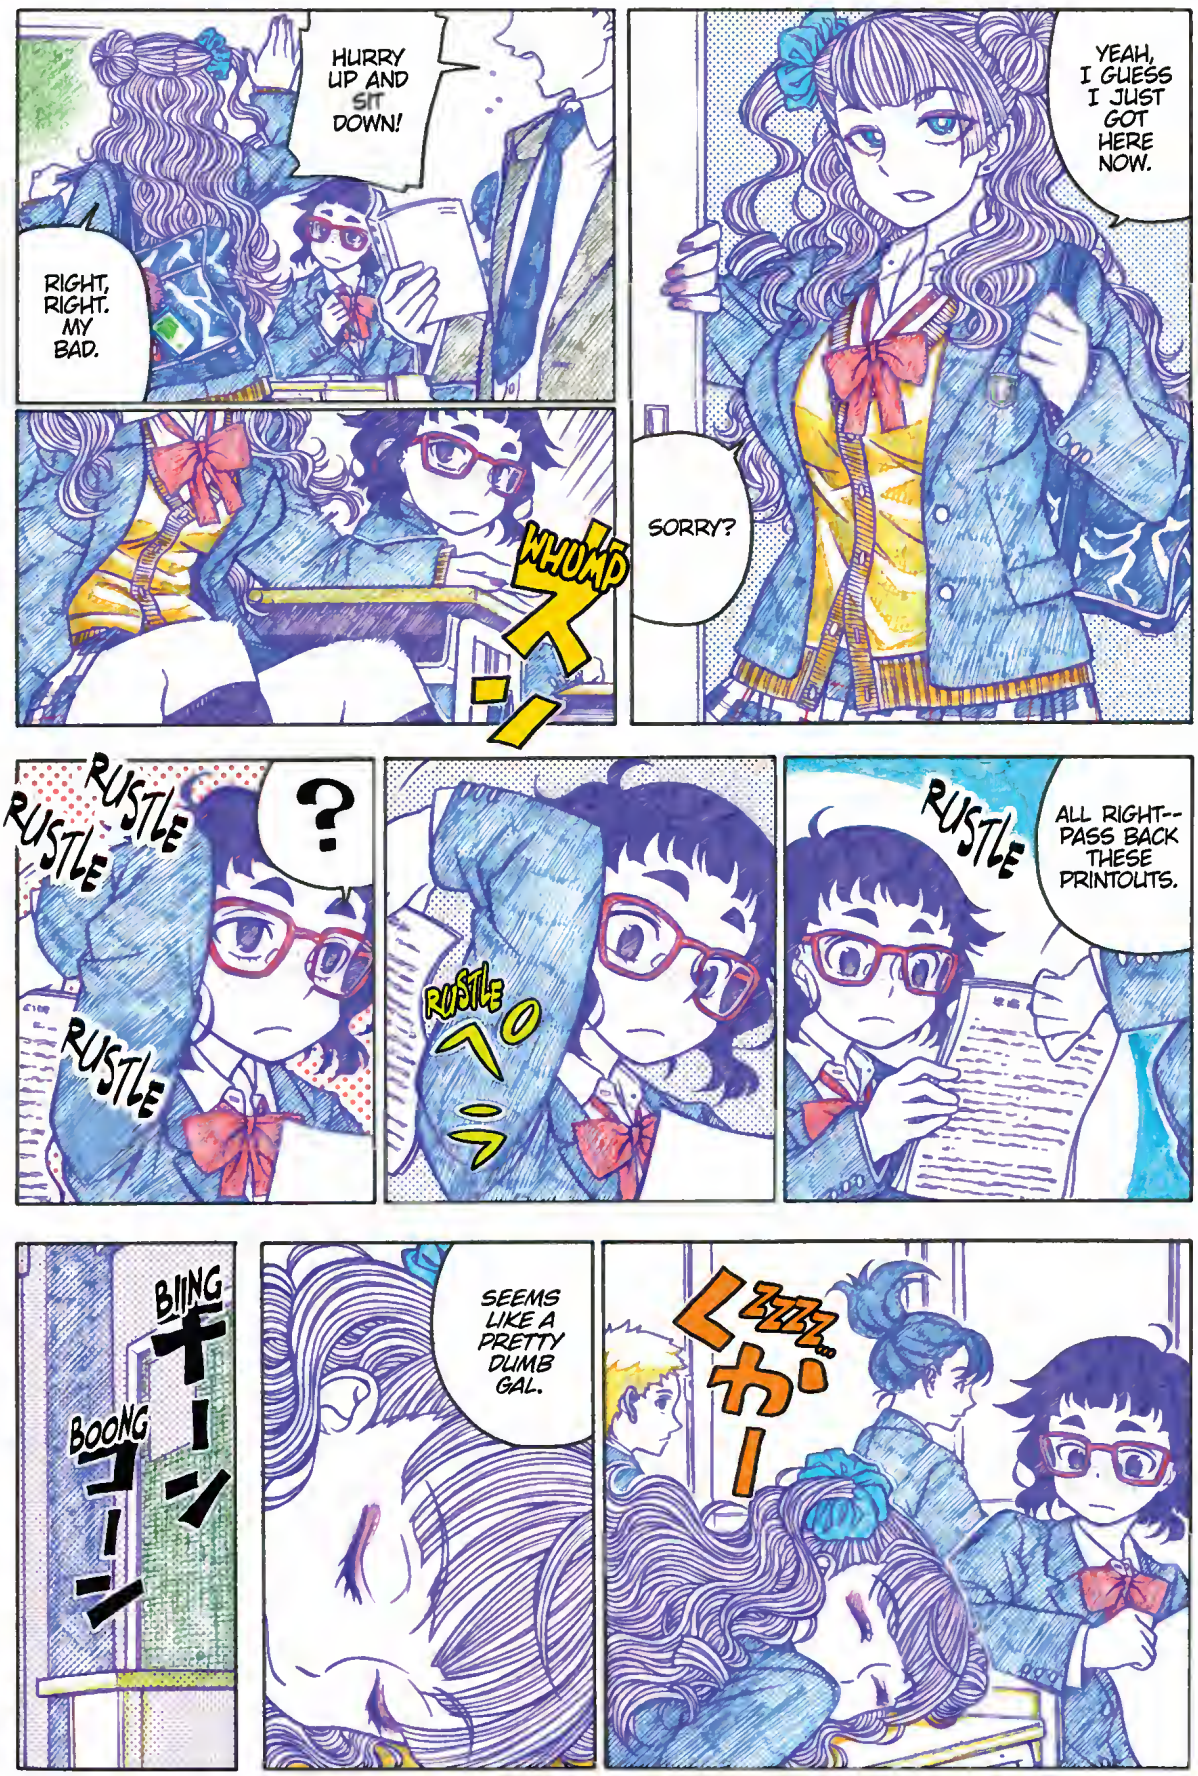
Gal group: With Agemi and Yabana at their center, this group is the top of the Girl Hierarchy. There aren't many of them, but they're assertive and connected to the boys' groups, so they have a strong voice in decisions about class trips and such.





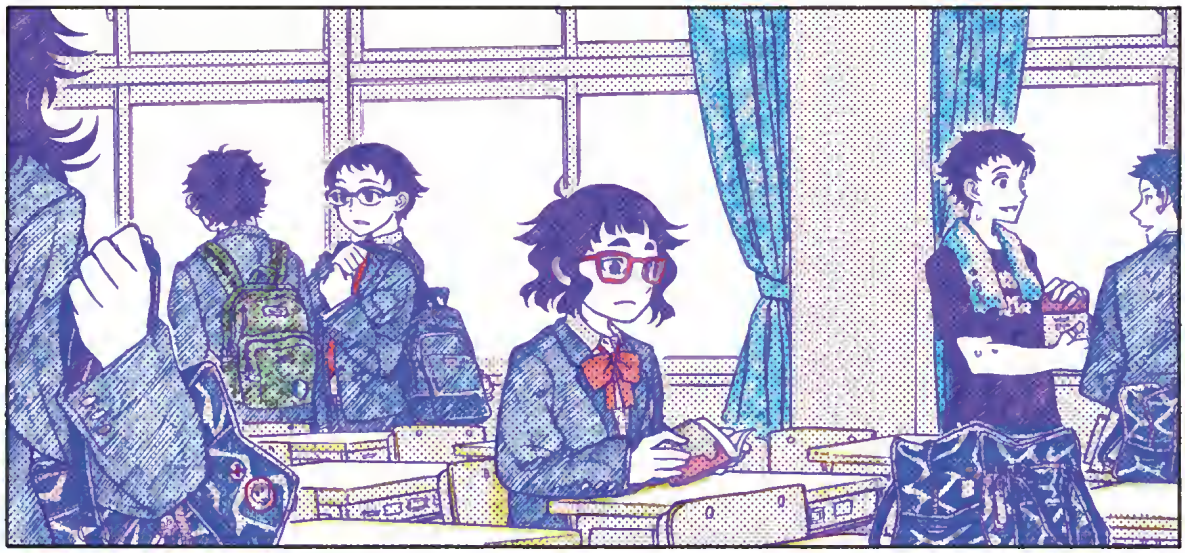


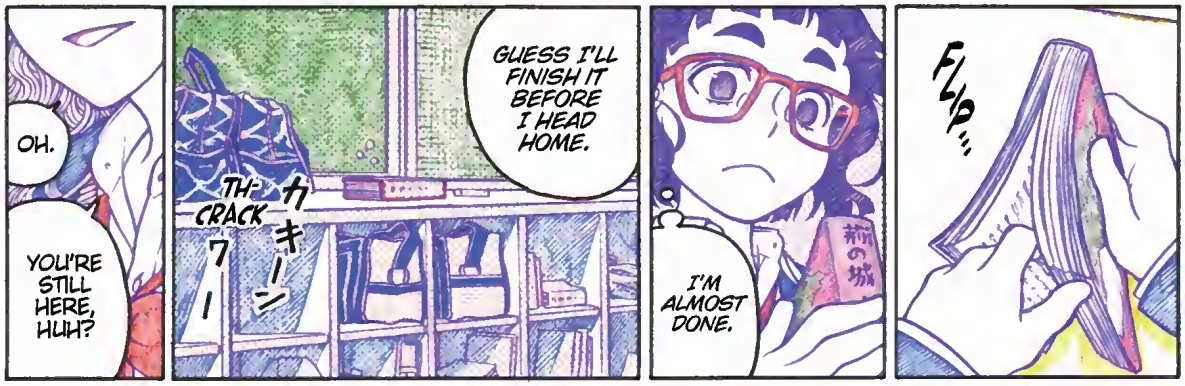


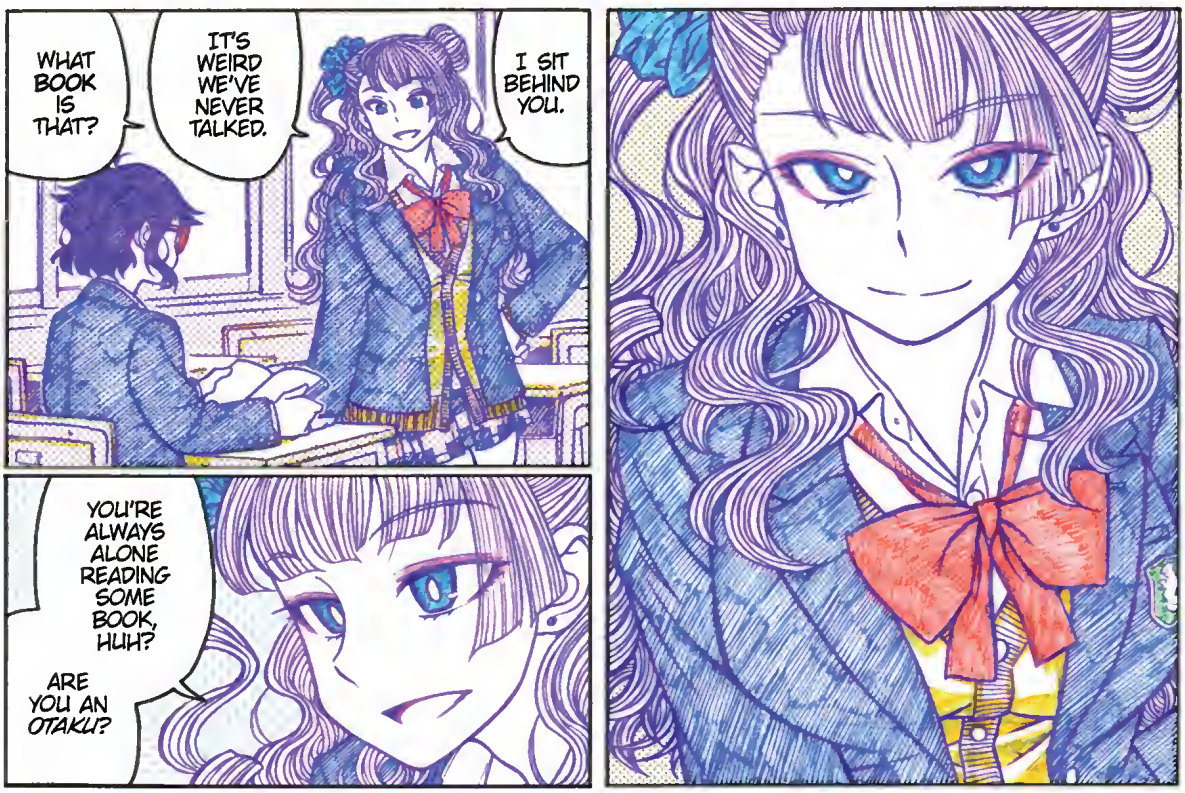


Honor students group: Led by the student committee chairs, this group of girls with perfect conduct and high grades are second in the Hierarchy. Because they're usually in charge of student events and work closely with teachers, they have a lot of influence, but no relationship with the boys.

Outcast group: Composed of Okako, Metako, Fushigi-chan, and a few others. The group originally formed from girls who didn't fit into any other camp, so its members don't share one trait in particular. Recently formed a metal band.







Abesen: The class' homeroom and modern Japanese teacher. Known for his brusque attitude and messy handwriting, he's also sensitive to changes in his students' behavior and is happy to help them. However, his overly kind nature can have consequences, as he recently became the outcast metal band's first concert victim.

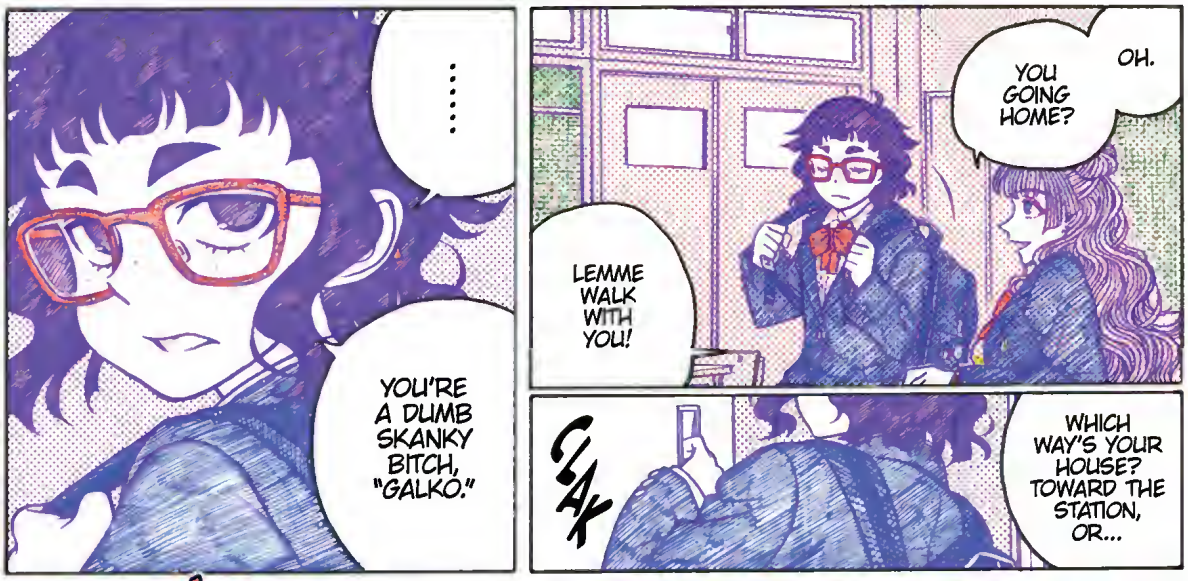
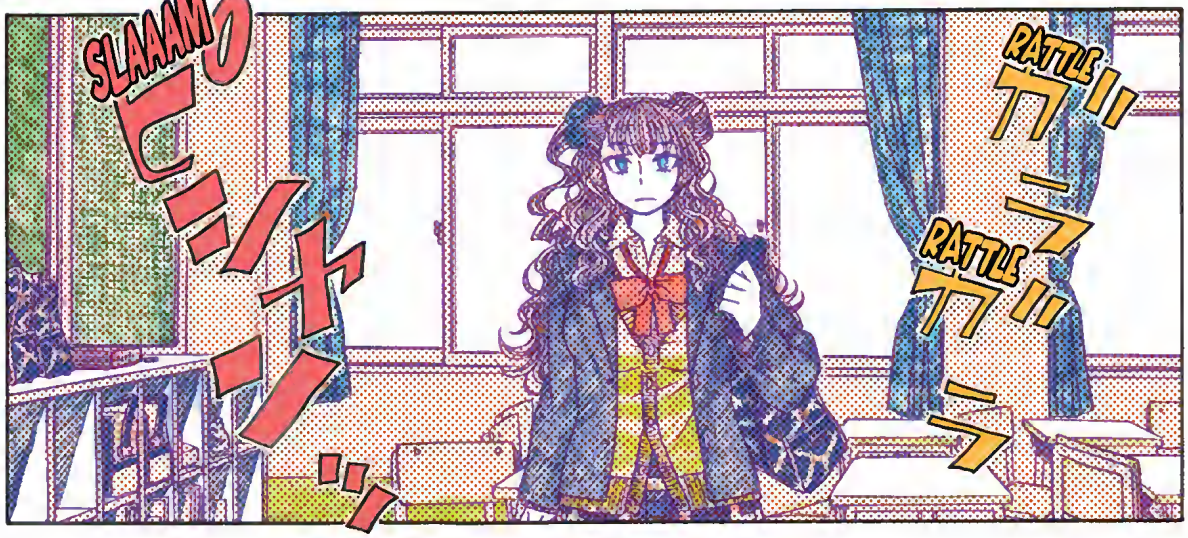
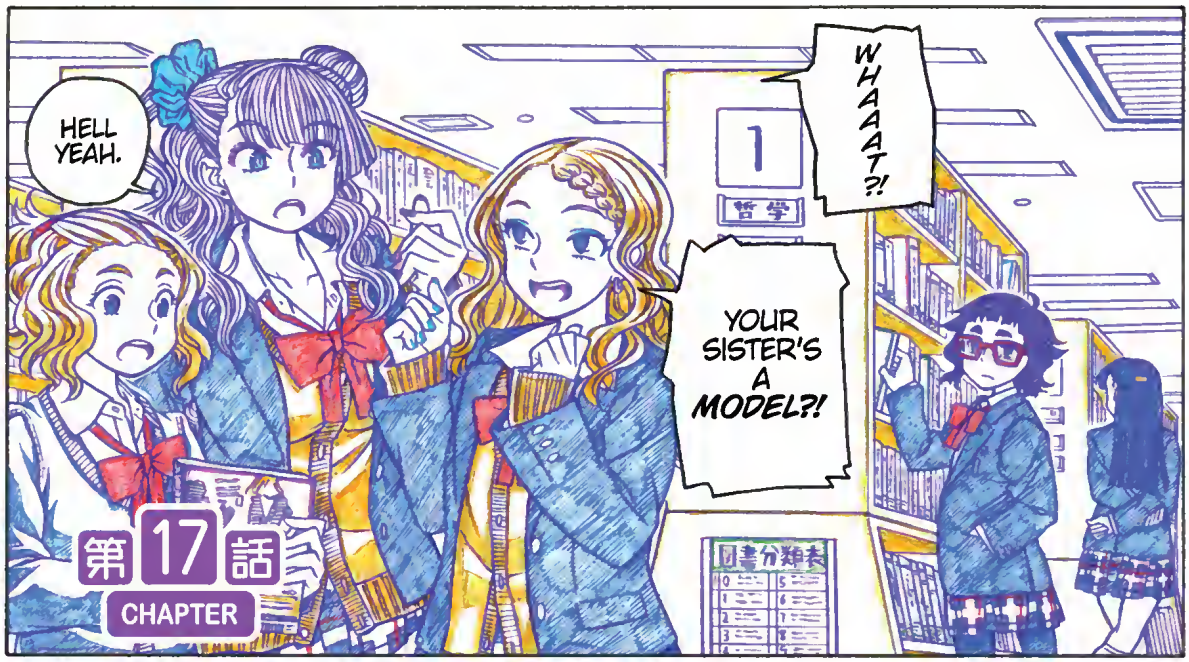
WHAT DO YOU CALL OTAKU GIRLS AGAIN?
"OTAKO-CHAN," MAYBE?
NOT THAT I'M MAKING *FUN* OF OTAKU.
EVERY-ONE'S GOT HOBBIES.

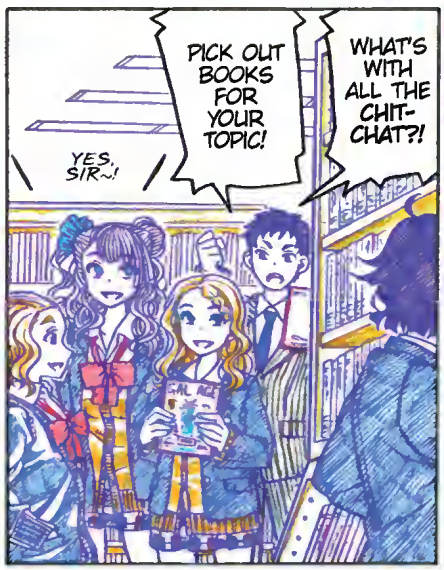


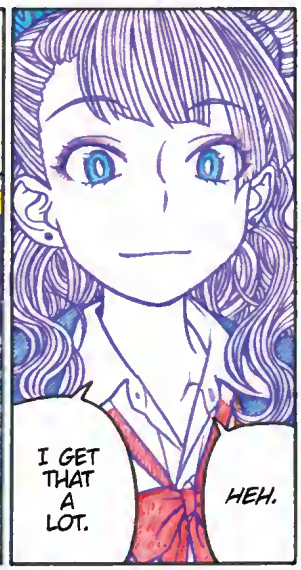


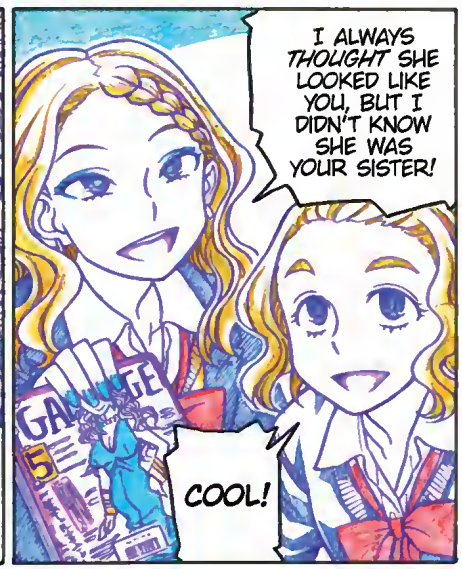
Agemi: A Gal high schooler and the life of the party! She gets along with boys, but doesn't keep boyfriends for long--she's currently on her fifth.

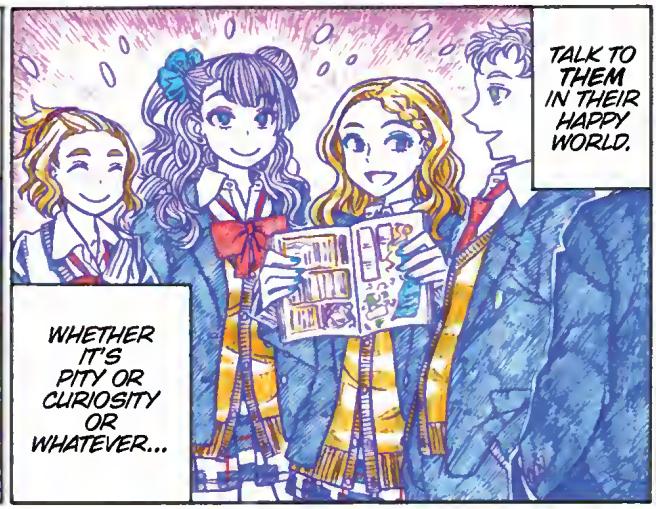
Yabana: A Gal high schooler who's been close friends with Agemi since grade school. She's been with her boyfriend for five years, and Agemi wants to know her secret.



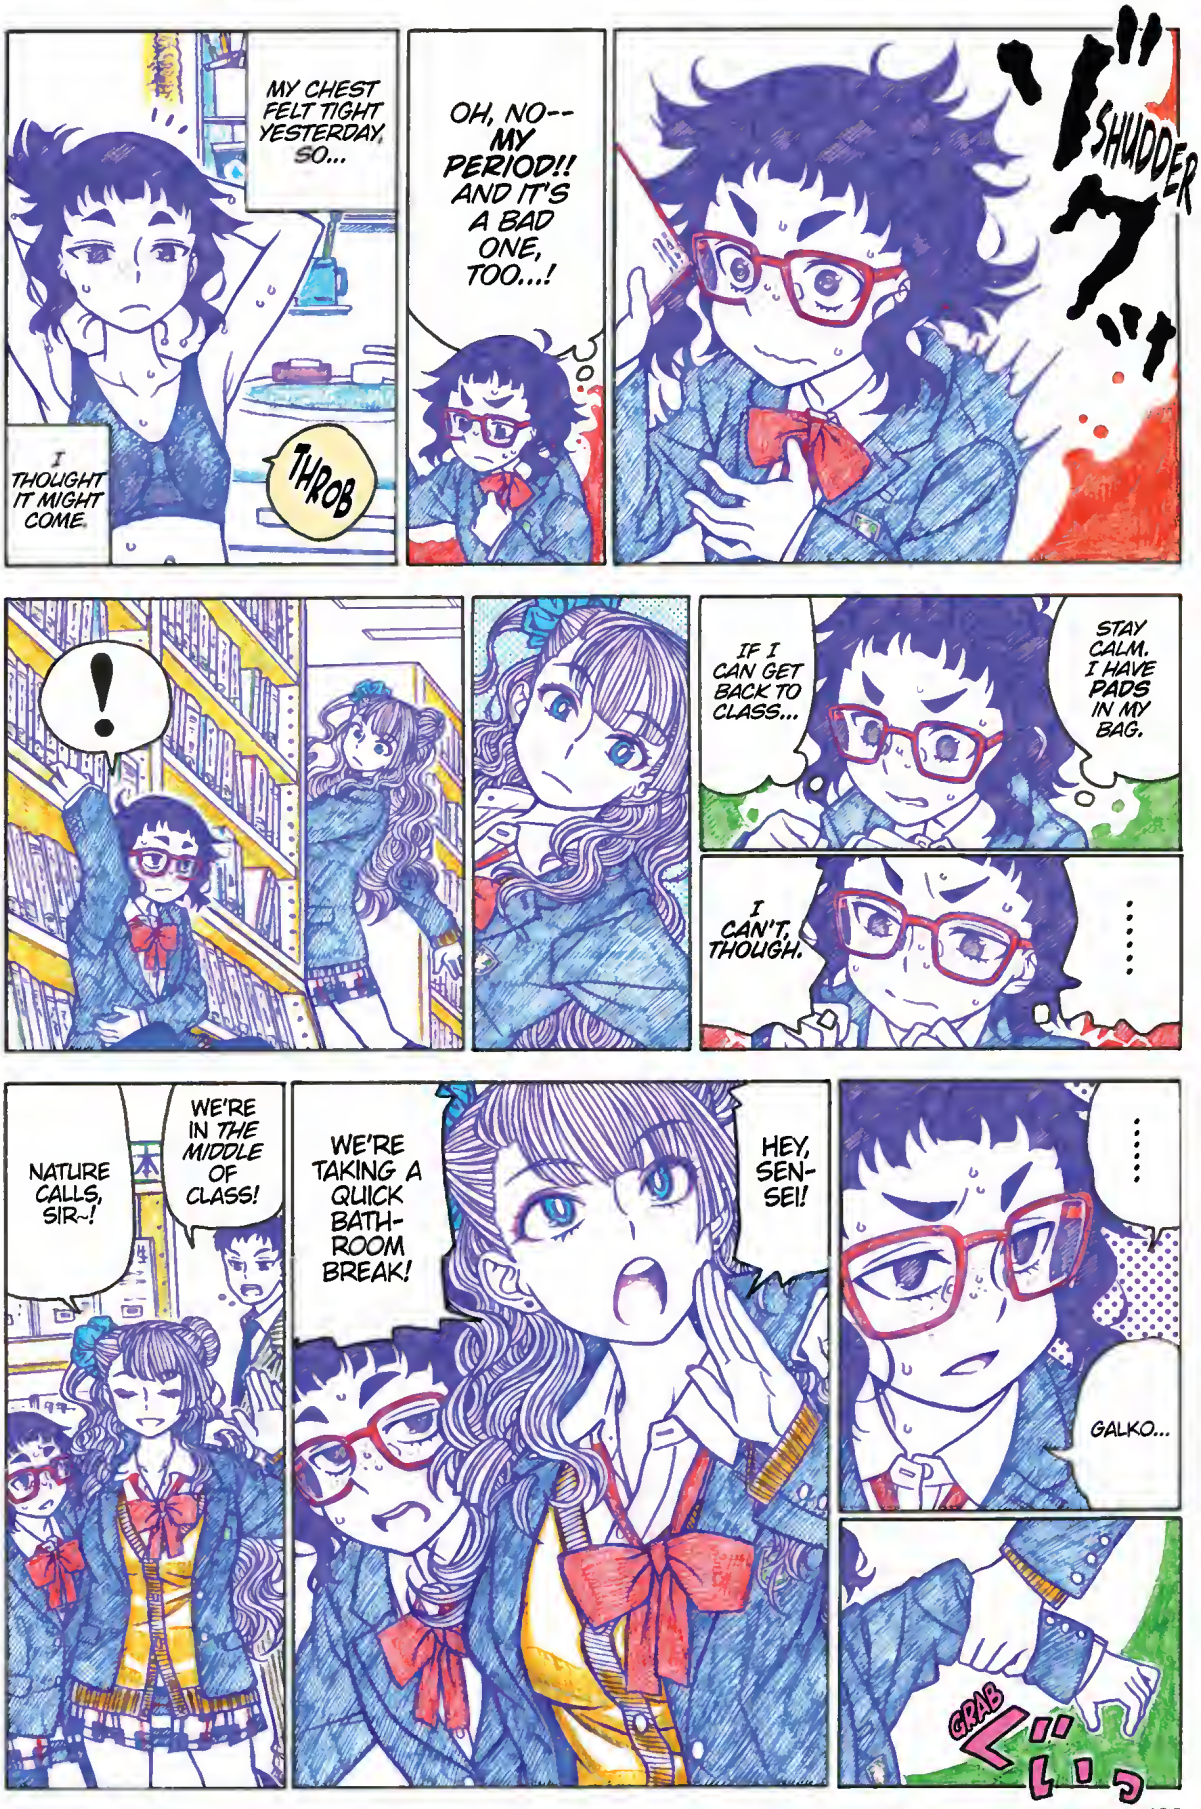








Galko's older sister: From as far back as grade school, her good looks, frank personality, and high energy were the subject of many local legends. Currently in college and modeling for Gal fashion magazines. She gets along with Galko and currently has some concerns about her boyfriend's unusual interests.



Abesen: Homeroom and modern Japanese teacher. He usually comes off as brusque, but he's really a worrywart who takes good care of his students. He used to be Galko's sister's homeroom teacher when she was in high school; he had his work cut out for him as her guidance counselor.

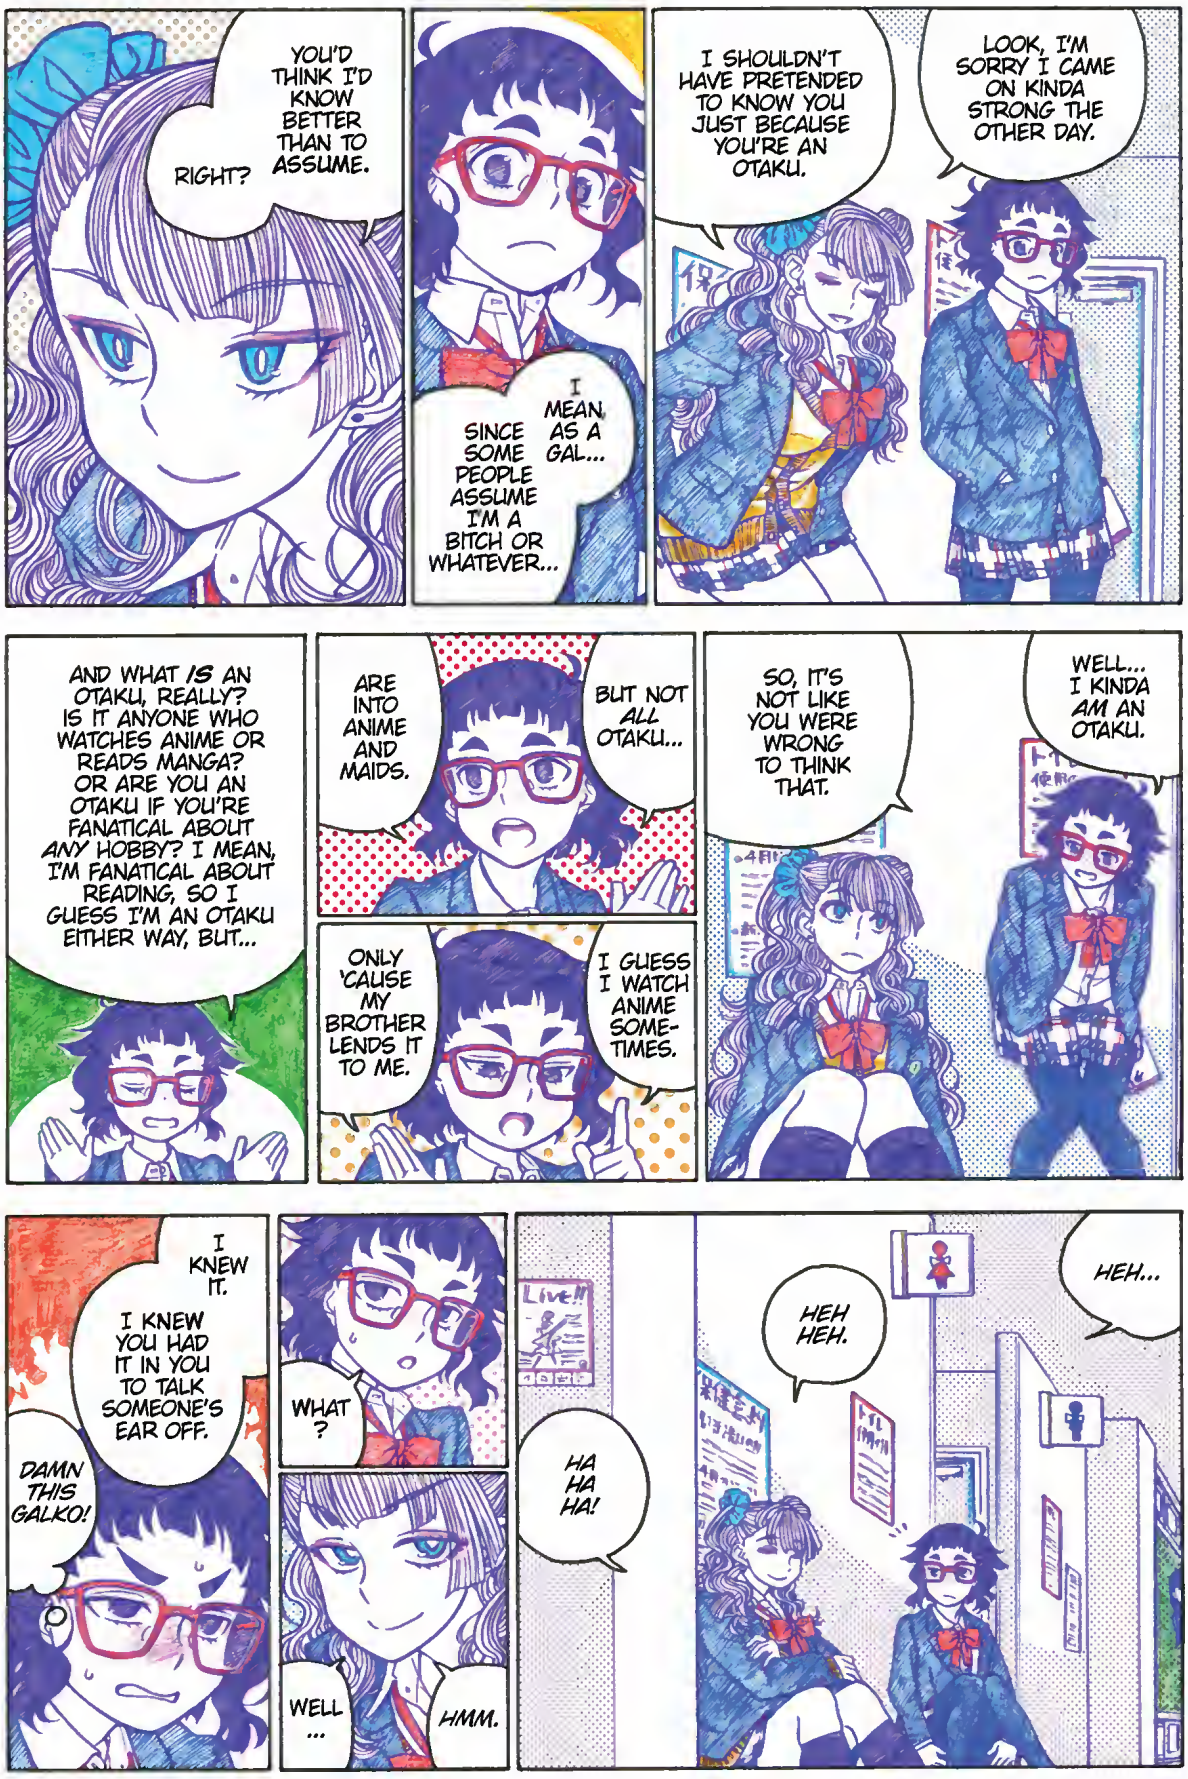
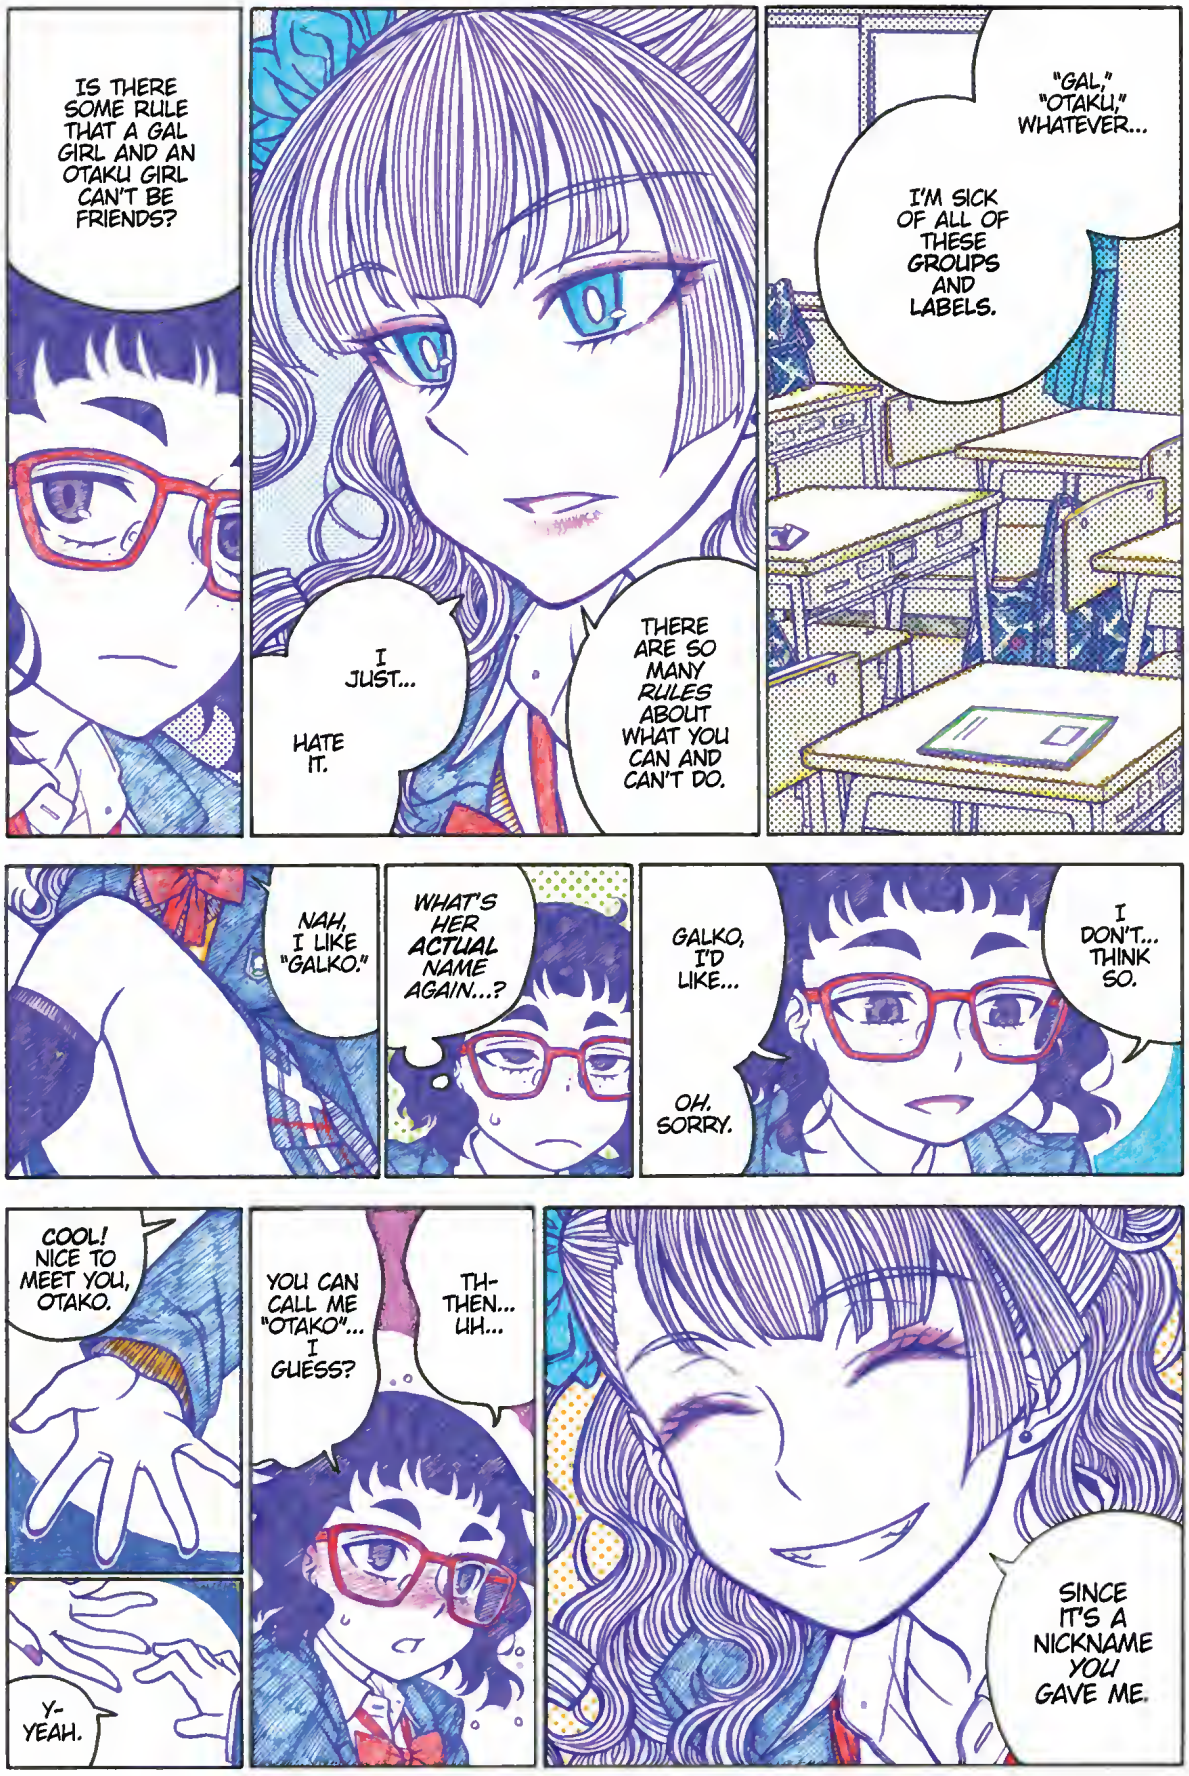
DO YOU HATE OVERLY FRIENDLY GALS, TOO?
I... DO.
I GUESSED YOU HATE THAT SORTA THING.



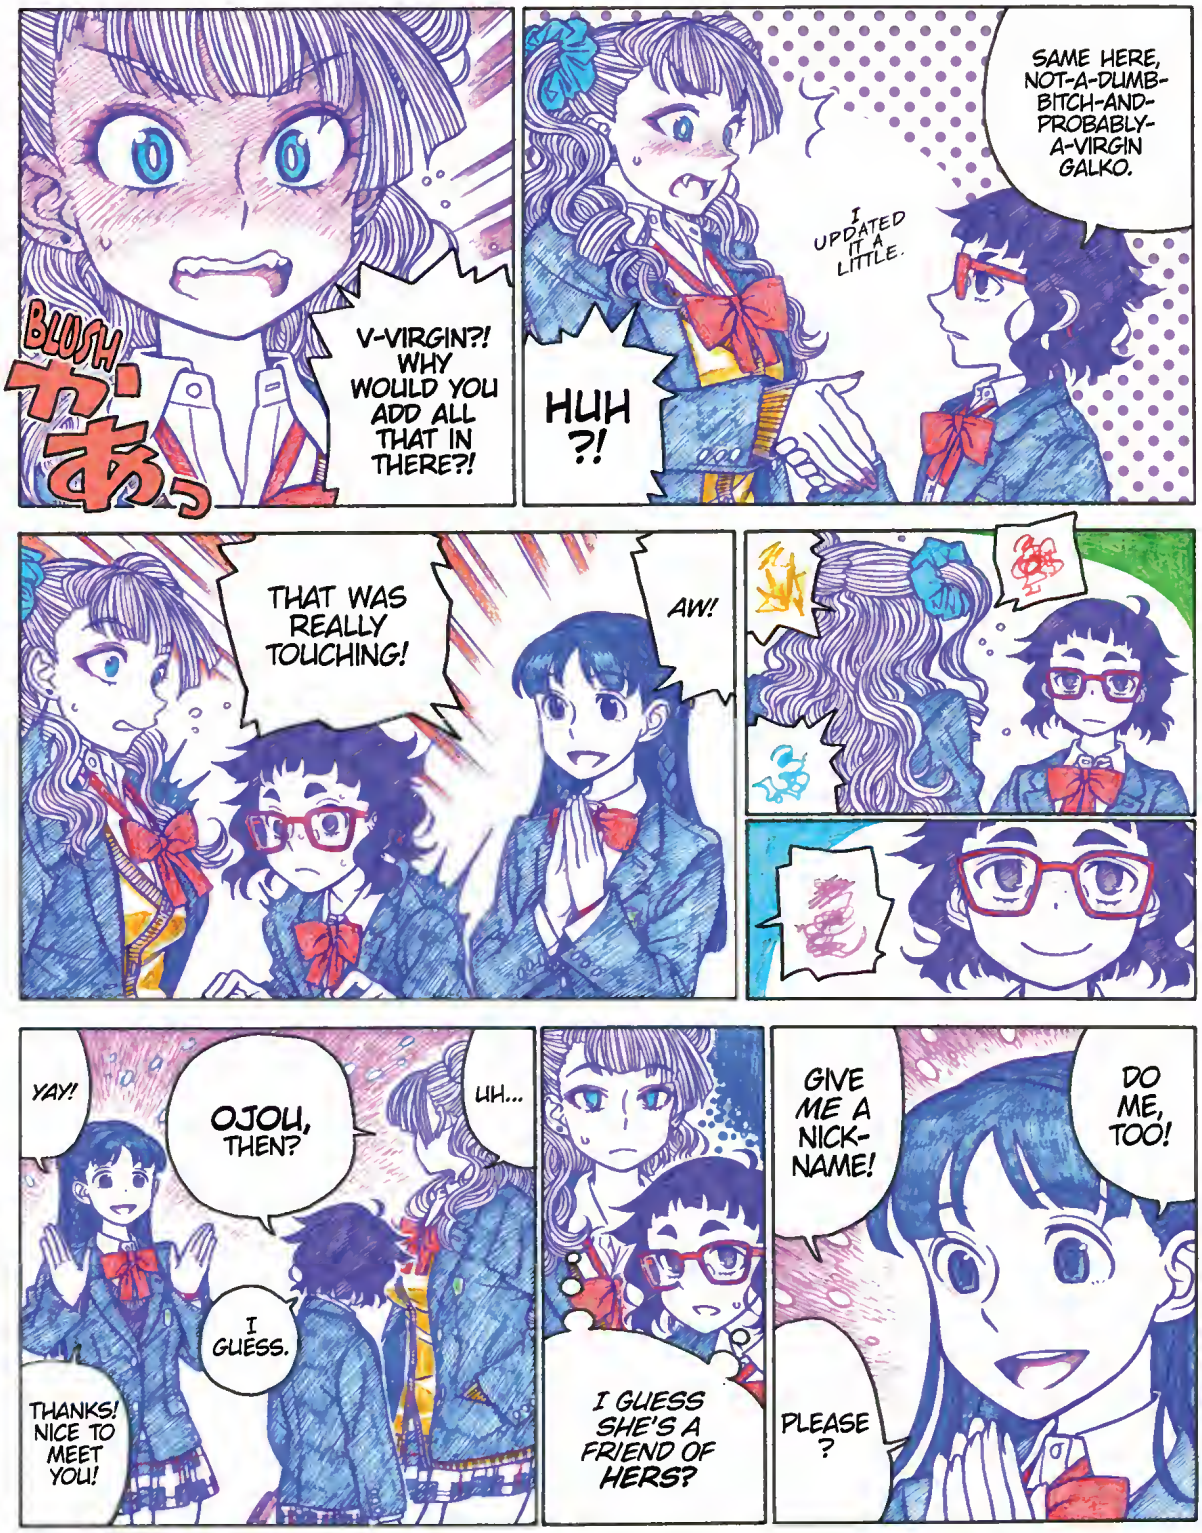
I SHOULDN'T HAVE PRETENDED TO KNOW YOU JUST BECAUSE YOU'RE AN OTAKU.
LOOK, I'M SORRY I CAME ON KINDA STRONG THE OTHER DAY.
I MEAN, AS A GAL... SINCE SOME PEOPLE ASSUME I'M A BITCH OR WHATEVER...
YOU'D THINK I'D KNOW BETTER THAN TO ASSUME. RIGHT?
SO, IT'S NOT LIKE YOU WERE WRONG TO THINK THAT.
WELL... I KINDA AM AN OTAKU.
ARE INTO ANIME AND MAIDS.
BUT NOT ALL OTAKU...
ONLY 'CAUSE MY BROTHER LENDS IT TO ME.
I GUESS I WATCH ANIME SOME-TIMES.
AND WHAT IS AN OTAKU, REALLY? IS IT ANYONE WHO WATCHES ANIME OR READS MANGA? OR ARE YOU AN OTAKU IF YOU'RE FANATICAL ABOUT ANY HOBBY? I MEAN, I'M FANATICAL ABOUT READING, SO I GUESS I'M AN OTAKU EITHER WAY, BUT...
HEH...
HEH HEH.
HA HA HA!
WHAT?
HMM.
WELL...
I KNEW IT.
I KNEW YOU HAD IT IN YOU TO TALK SOMEONE'S EAR OFF.
DAMN THIS GALKO!

Otaku: She was somewhat sickly as a child, so she stayed home from school a lot. On those days, she passed the time by reading—first her own books, then after fishing through her brother's shelves. Her love of reading grew, but so did her social anxiety. Her risqué knowledge is a result of her constant reading.

Galko: She's always loved movies--and imitating the blonde hair and striking fashion of the actresses in foreign films led to her becoming a Gal. Still, since her sister is so well-known, she's constantly called "____ Jr." and "Mini ____"...so she was really happy to be given a nickname of her own.



IS THERE SOME RULE THAT A GAL GIRL AND AN OTAKU GIRL CAN'T BE FRIENDS?
I JUST... HATE IT.
THERE ARE SO MANY RULES ABOUT WHAT YOU CAN AND CAN'T DO.
"GAL," "OTAKU," WHATEVER...
I'M SICK OF ALL OF THESE GROUPS AND LABELS.
NAH, I LIKE "GALKO."
WHAT'S HER ACTUAL NAME AGAIN...?
GALKO, I'D LIKE...
OH, SORRY.
I DON'T... THINK SO.
COOL! NICE TO MEET YOU, OTAKO.
Y-YEAH.
YOU CAN CALL ME "OTAKO"... I GUESS?
TH-THEN... UH...
SINCE IT'S A NICKNAME YOU GAVE ME.



Ojou: She used to go to a prestigious K-12 private school, but transferred to her current school this spring. She has great grades and behavior, so the faculty trusts her...which is why Abesen asked her to check on the two girls when they'd been gone too long.

Please tell me ! GALKO-chan

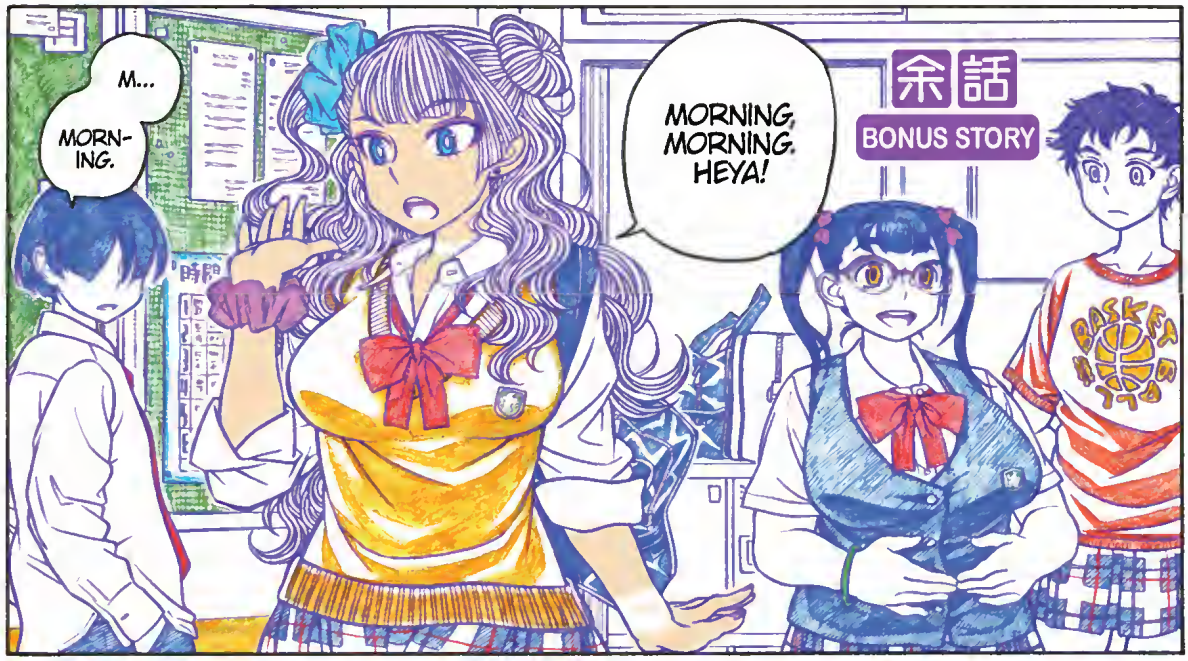
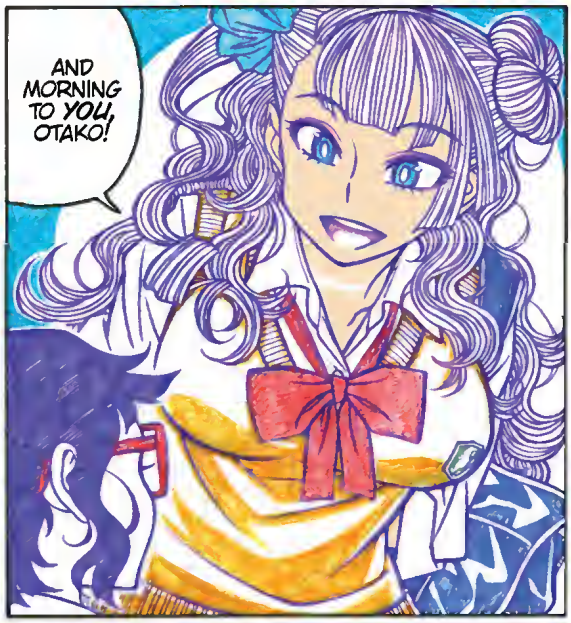
I'M A SPORTS GUY, SO MAYBE SUPOO...

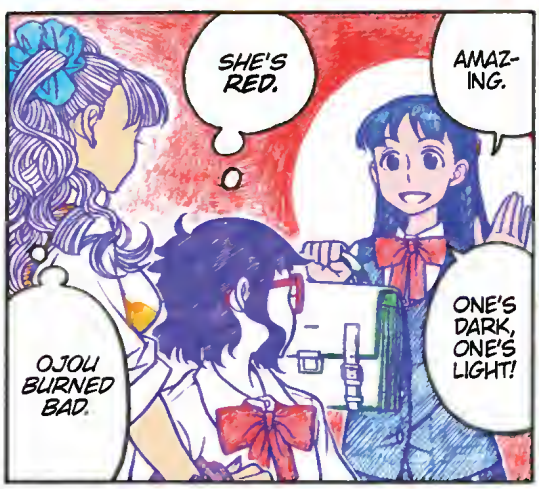
Galko: Popular in class. Tans easily.

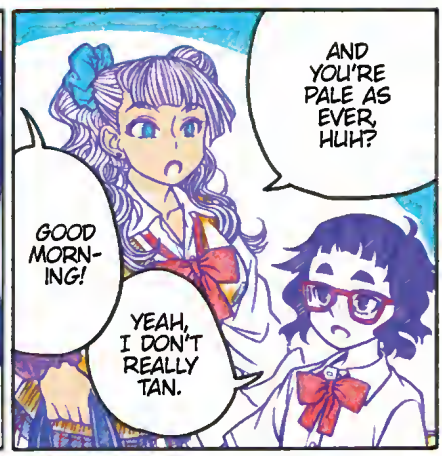
Otako: Good friends with Galko. Doesn't really get tans or sunburns.

Ojou: An airhead. Too much sun fries her.



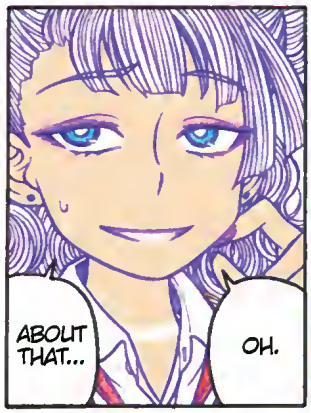


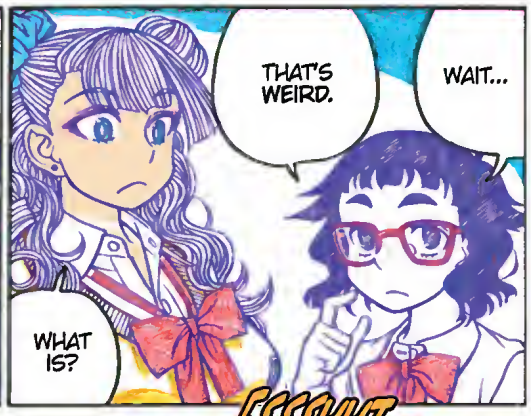


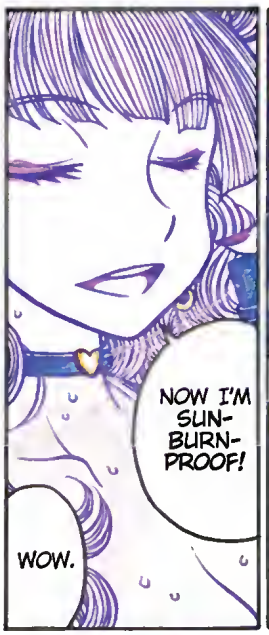


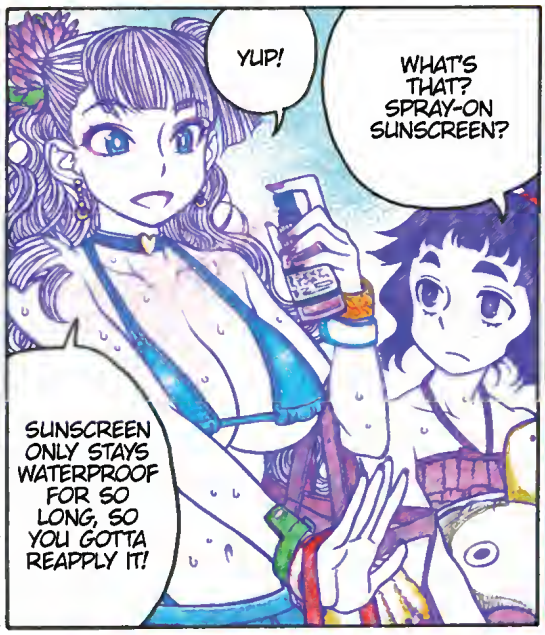
IS IT THAT IMPORTANT TO KEEP REAPPLYING SUNSCREEN?

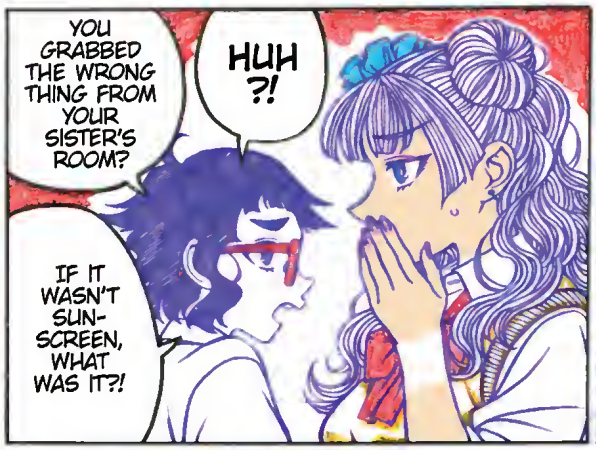
Please tell me ! GALKO-chan

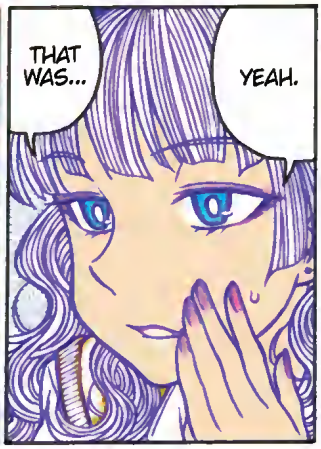












Galko: Despite her sharp tongue, she's a nice kid--and popular in class. She occasionally goes to tanning salons for the tanned Gal look, but since she doesn't want bikini tan lines, she's usually diligent about sunscreen when going into the sun.

Ojou: An airhead who often gets involved in Galko and Otako's conversations. This was her first time in an outdoor pool, so she forgot about sunscreen.

Otako: She sits in the back corner of class, but she and Galko are good friends, for some reason! Often mistaken for a grade schooler due to her height, so she didn't notice at first that she she'd become strangely popular with kids.

CHILDHOOD MOVIES
THERE WAS THIS MOVIE I REALLY LOVED AS A KID, Y'KNOW?
YEAH. I GET THAT.
LIKE, IT'S GOT A SCENE WHERE THE ACTRESS GETS NAKED, SO YOU WATCHED IT OVER AND OVER.
ARE YOU A DUDE?
ANYWAY. I'VE BEEN THINKING ABOUT IT LATELY, SO I WANTED TO WATCH IT AGAIN.
BUT I LOOKED FOR A DVD OR BLU-RAY AND COULDN'T FIND ANYTHING!

BUT I HAD TO DIG MY VCR OUT OF THE CLOSET.

WHAT'S A "BHS TAPE"?
OH-- I GUESS YOU KIDS DON'T KNOW ABOUT 'EM.

Galko: Despite her sharp tongue, she's a nice kid--and popular in class. Her hobby is watching movies.

Otako: She sits in the back corner of class, but she and Galko are good friends, for some reason! Her hobby is reading.

Ojou: An airhead who often gets involved in Galko and Otako's conversations. She just started a part-time job.

I REMEMBERED IT BEING THE BEST MOVIE EVER...

BUT SEEING IT AGAIN, IT DIDN'T STAND UP.

I COULDN'T GET PAST THE AWFUL GREEN SCREEN AND GARBAGE SETS.

I'M SURE THE IMAGE QUALITY WAS CRAP, BUT IT'S GOOD YOU GOT TO WATCH IT AGAIN.

EH. KINDA.

BUT IT SUCKS THAT I CAN'T UNSEE THAT STUFF NOW!

I GET THAT THEY DIDN'T HAVE TODAY'S TECH OR A BIG BUDGET...

IT MEANT A LOT TO YOU BACK THEN, RIGHT?

YEAH... IT DID.

STILL.

THANK YOU VERY MUCH!

Name Glossary

Almost all of the characters in *Please Tell Me! Galko-chan* have nicknames based on one of their primary characteristics, and combined with a common Japanese name ending such as "ko" or "mi" for girls, and "o" or "ta" for boys. Let's take a closer look!

Galko: from "gyaru" or "Gal," which is Galko's style. Gal subculture is mostly associated with Japanese girls in their teens to late twenties: they're very fashionable, often tan and/or blonde, and use a lot of unique slang. Galko also has a special sound effect in Japanese written as "gyarun" or "gyarurun" (which is punning off of "gyaru"), so this is often translated as variations of "galoing."

Otako: from "otaku," a geek.

Ojou: literally "young lady," often describing a rich or especially proper girl.

Charao: from "charai," meaning flashy or superficial.

Otao: again from "otaku," a geek.

Supoo: from "supootsu," i.e. sports.

Iincho: from "iinchou," committee chairman/Class Rep.

Kuseta: from "kuse," curly or messy (as in his hair).

Tsunno: from "tsundere," a girl who is outwardly mean to someone but secretly likes them.

Kibami: from "kiba," fangs.

Agemi: from "age," literally "up" or "going up," which frequently appears in Gal girl slang like "ageage" (excitement/high spirits) or "agepoyo" (fun/happiness).

Yabana: from "yabai," another exclamation popular with Gals, which can mean "awful" or "awesome," depending on the context.

Okako: from "okaruto," occult.

Metako: from "metal."

Fushigi-chan: "fushigi" means a mystery, or as an adjective, "strange" or "mysterious."

See you
next time!

READING DIRECTIONS

This book reads from ***right to left***, Japanese style. If this is your first time reading manga, you start reading from the top right panel on each page and take it from there. If you get lost, just follow the numbered diagram here. It may seem backwards at first, but you'll get the hang of it! Have fun!!
